

# Celtic Lace Scarf

© Megan-Anne Llama of *Lattes & Llamas*

This scarf is a great addition to any wardrobe. Since it can be made with nearly any wool you can easily customize it to be as warm or as light as you would like. It can be made with a toasty worsted weight, or done as a light spring scarf with a sport or sock yarn.

## Materials

---

### Yarn

The scarf pictured was knit in Debbie Mumm Traditions. However, since making the scarf that yarn was discontinued. I recommend Lion Brand Amazing as an alternative.

### Needles

US6 straight or circular. Size J crochet hook for edging.  
Stitch markers if desired to mark beginning of chart sts.
