Pro tip: If you want to work your socks 2 at a time, work the first toe, then BEFORE picking up the sts from CO move that toe to the cable of your needles. Work 2<sup>nd</sup> toe the same way. Position toes so that they are both on the same needle, with the working yarn on the right for both (as if to work a WS row). Pick up the sts from CO from both toes with the 2<sup>nd</sup> needle.

Work even as established until sock is 2" shorter than desired length.

### Heel

Work even across 26(30, 34, 38) sts, and then place those worked sts on a holder. Heel is worked over remaining 26(30, 34, 38) sts.

**R1 (RS) :** K to last st. Wrap last st, turn.

**R2 (WS) :** Slip wrapped st. P to last st. Wrap last st, turn.

**R3 :** Slip wrapped st. K to last st before wrapped st. Wrap this st, turn.

**R4 :** Slip wrapped st. P to last st before wrapped st. Wrap this st, turn.

Repeat rows 3 and 4 until 9(10, 11, 12) sts have been wrapped on each side.

**R1 (RS) :** Slip wrapped stitch, K to next wrapped st and knit it together with the wrap, wrap next st, turn.

**R2 (WS) :** Slip wrapped stitch, P to next wrapped st and purl it together with the wrap, wrap next st, turn.

Repeat these 2 rows until you have knit or purled every wrapped st, ending on a wrong side row.

Return the sts on a holder to the working needles. K across the 26(30, 34, 38) heel sts. You are now back at the beginning of the round.
