THE LEGEND OF
ZELDA

A GEEK-A-LONG SOCK

A New Clue Every Sunday
#geekalong @lattesandllamas

The Geek-A-Long (GAL) supports Child's Play Charity, which provides games and consoles to children in hospitals and domestic violence shelters. The sample socks made by Lattes & Llamas will be auctioned off at the annual Child's Play Charity gala in December. We encourage GAL participants to donate to CP Charity via our [sanctioned widget](#) in lieu of paying for this pattern. No donation is too small!

History of the Geek-A-Long

First imagined in the Winter of 2013, the Geek-A-Long (GAL) was born from unrestrained idealism and way too much coffee. The idea was ridiculous: Release a new pattern every week all year, based on pop-culture nerdiness. At the end of the year, we would join 48 double-sided squares together to make a massive blanket. Our Fandom Opus would be sent to the Child's Play Charity Dinner Auction in Seattle, and the proceeds of the sale would go towards providing video games and other entertainment to children in hospitals and domestic violence shelters.

When Megan-Anne cast on that first square, she had no idea what the GAL would turn into. Seven years, seven blankets, and nearly 300 squares later, the Geek-A-Long has grown far beyond us. The community has grown each year and based on our square download statistics there are GAL knitters in every corner of the world. Your generosity is astounding. The GAL community has raised over \$10,000 for Child's play with individual donations and proceeds raised from the sale of the auctioned blankets.

We wanted to do something to make 2020 memorable. Admittedly, that decision was made in 2019, and 2020 doesn't need help standing out. Still, we wanted to shake things up. When Megan-Anne finished knitting that first blanket in 2014, we never imagined we'd still be making them in 2020. We are blown away by how much love and support the project has gotten and couldn't have predicted it. We want you to see [Eight Bit](#), [On Board](#), and now these socks for what they are: a love letter from us to the entire GAL community.

Instructions

The Zelda Socks are worked in the round from the cuff down. The leg pattern begins off-center on the back of the leg, and you will be instructed to move the beginning of round after completing the heel. This sock pattern is recommended for knitters with experience working in the round, stranded/fair-isles colorwork, and turning a heel. Stitch repeats are shown in [brackets]. Repeat [bracketed instructions] to the stitch indicated. For example, if instructed to work [K1, P1] to last two sts, that means you will repeat K1 P1 until you reach the last two sts. **Note that the two socks are different. This pattern is not conducive to working two-at-a-time socks.**

Sock Two: Master Sword

CUFF

With smaller needles and Color A, CO 64(72, 80, 88) sts using your favorite stretchy CO. Distribute sts evenly across needles and join to work in the round, careful not to twist the sts. PM to indicate the beginning of the rnd.

Rnd 1: [K1, P1] around.

Repeat Rnd 1 nine more times or until cuff measures 1 inch. Continue to LEG section.

LEG

The charts should always be read from right to left. When working the charts, catch floats longer than five stitches. Join colors as they appear in the charts, and break yarn when you will not use a color for 3 or more rounds.

Change to larger needles.

Rnds 1-46: Work the GOLD RUPEES chart around.

Note that if you would prefer a shorter sock you can stop working the leg after completing rounds 14, 23, or 37. Continue to HEEL FLAP section.

HEEL FLAP

Set-Up: Move the last 32(36, 40, 44) sts worked to waste yarn or a stitch holder to be picked up later (these are the last 32(36, 40, 44) sts worked on the last round of the leg)

You will now work a slipped stitch heel with the smaller needles, using only Color B across the 32(36, 40, 44) sts remaining on your needles. Remove the marker indicating the beginning of round as you start the first row of the heel flap.

Change to smaller needles and break Color A.

Row 1 (*Right Side*): [Sl 1 wyib, K1] to end of row, turn.

Row 2 (*Wrong Side*): Sl 1 wyif, P to end of row, turn.

Repeat Rows 1-2 17(19, 21, 23) more times for a total of 36(40, 44, 48) total rows and 18(20, 22, 24) sl sts on each side of the heel flap. Continue to HEEL TURN.

HEEL TURN

The “gap” in the instructions below refers to the space created between the ‘P1, turn’ or ‘K1, turn’ of the previous row.

Row 1 (*RS*): Sl 1 wyib, K18(20, 22, 24), SKS, K1, turn.

Row 2 (*WS*): Sl 1 wyif, P7, P2Tog, P1, turn.

Row 3: Sl 1, K to 1 st before the gap, SKS, K1, turn.

Row 4: Sl 1, P to 1 st before the gap, P2Tog, P1, turn.

Repeat Rows 3-4 until 20(22, 24, 26) sts remain, ending after a Row 4. Continue to GUSSET SET-UP section.
